

7 v 7

This is for your 7 v7 team. Also in some 7 v 7 leagues the center is eligible. If it is not in yours you can just take him out of the play

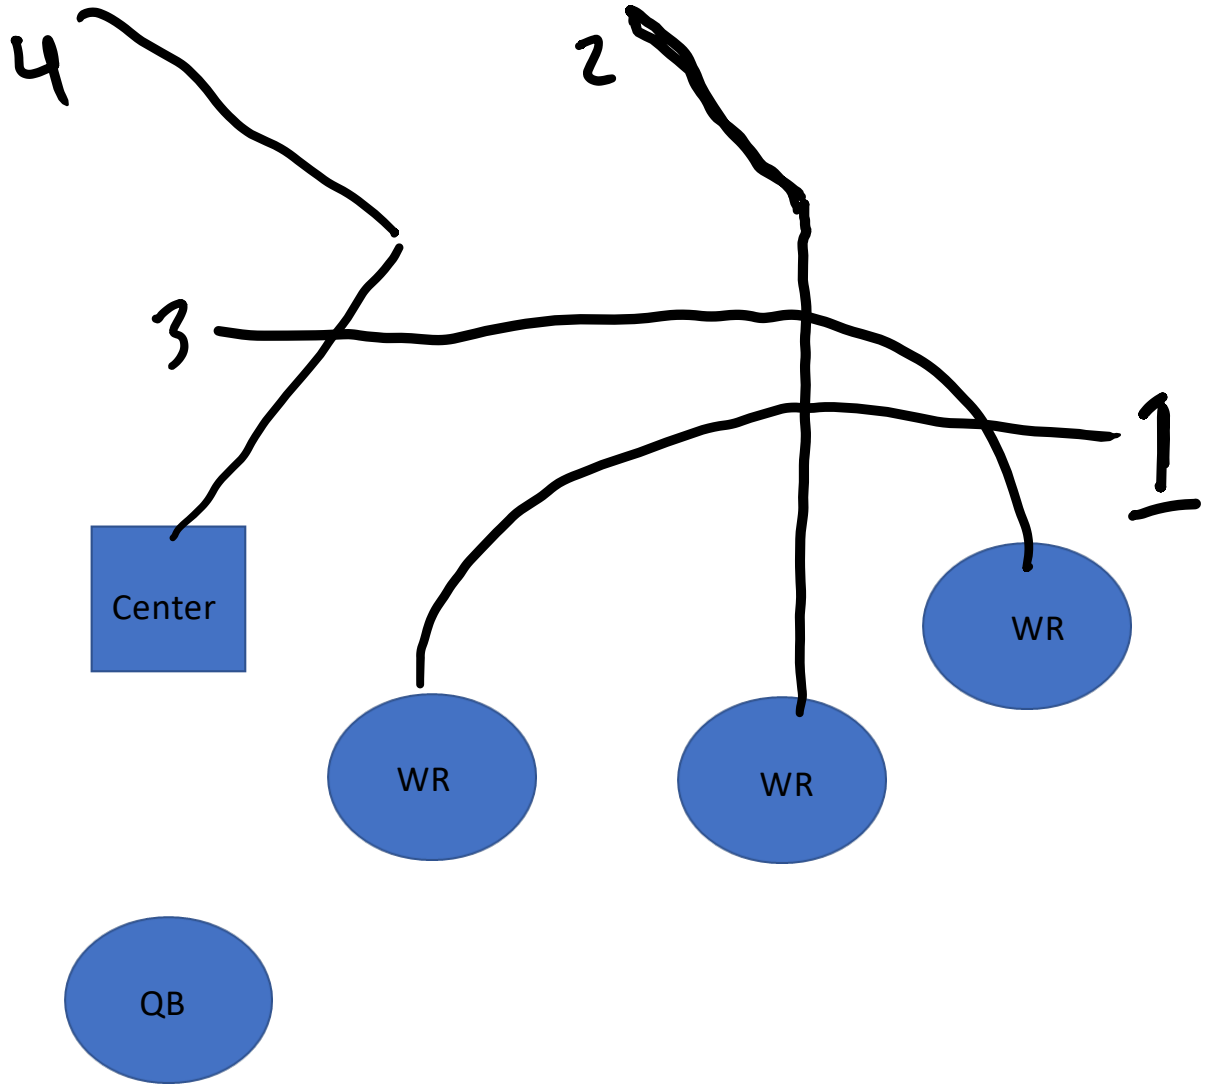

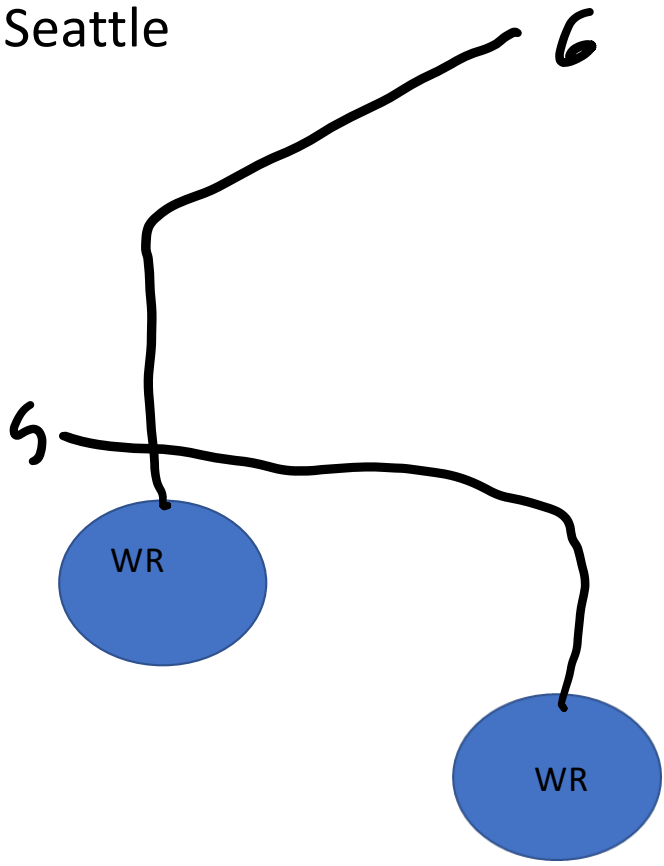

How to use these plays

- For these plays every play has a city name and that's it. You can call it out to your players.
- Every route has the order you look for them in it.
- No run plays for 7v7

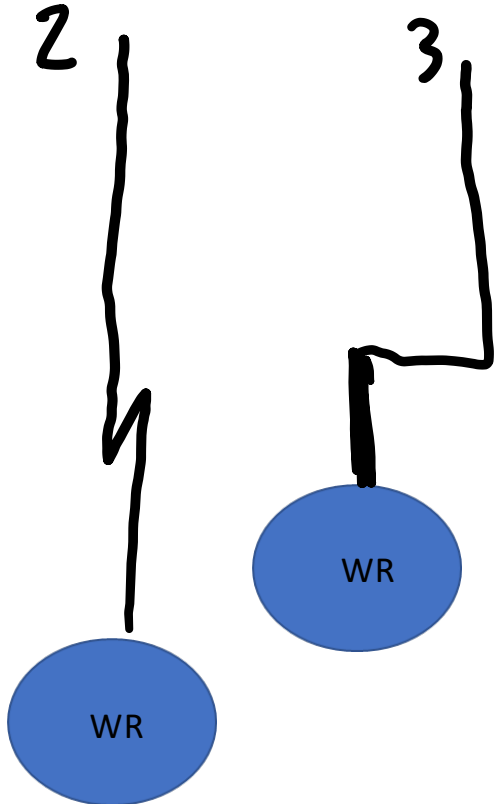

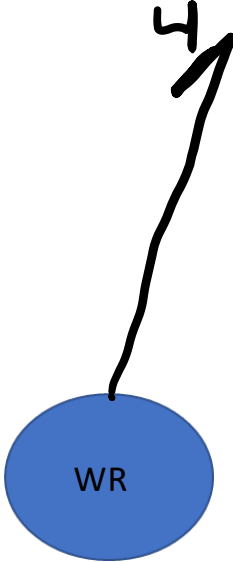

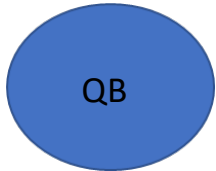

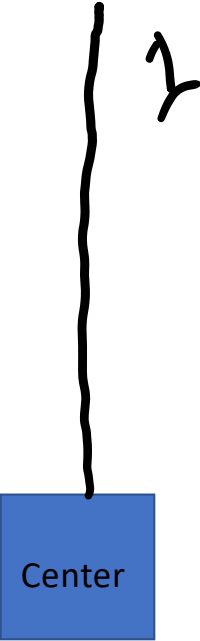

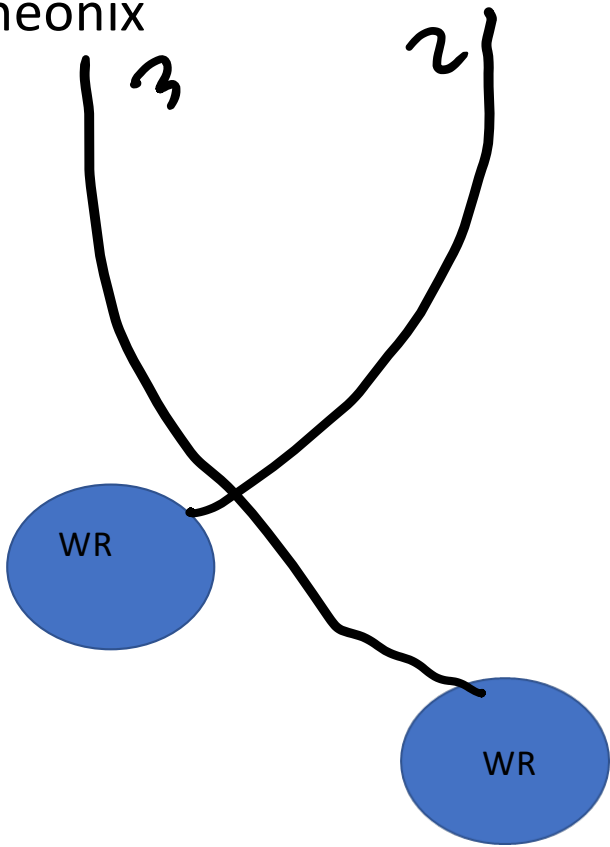

New York

Seattle

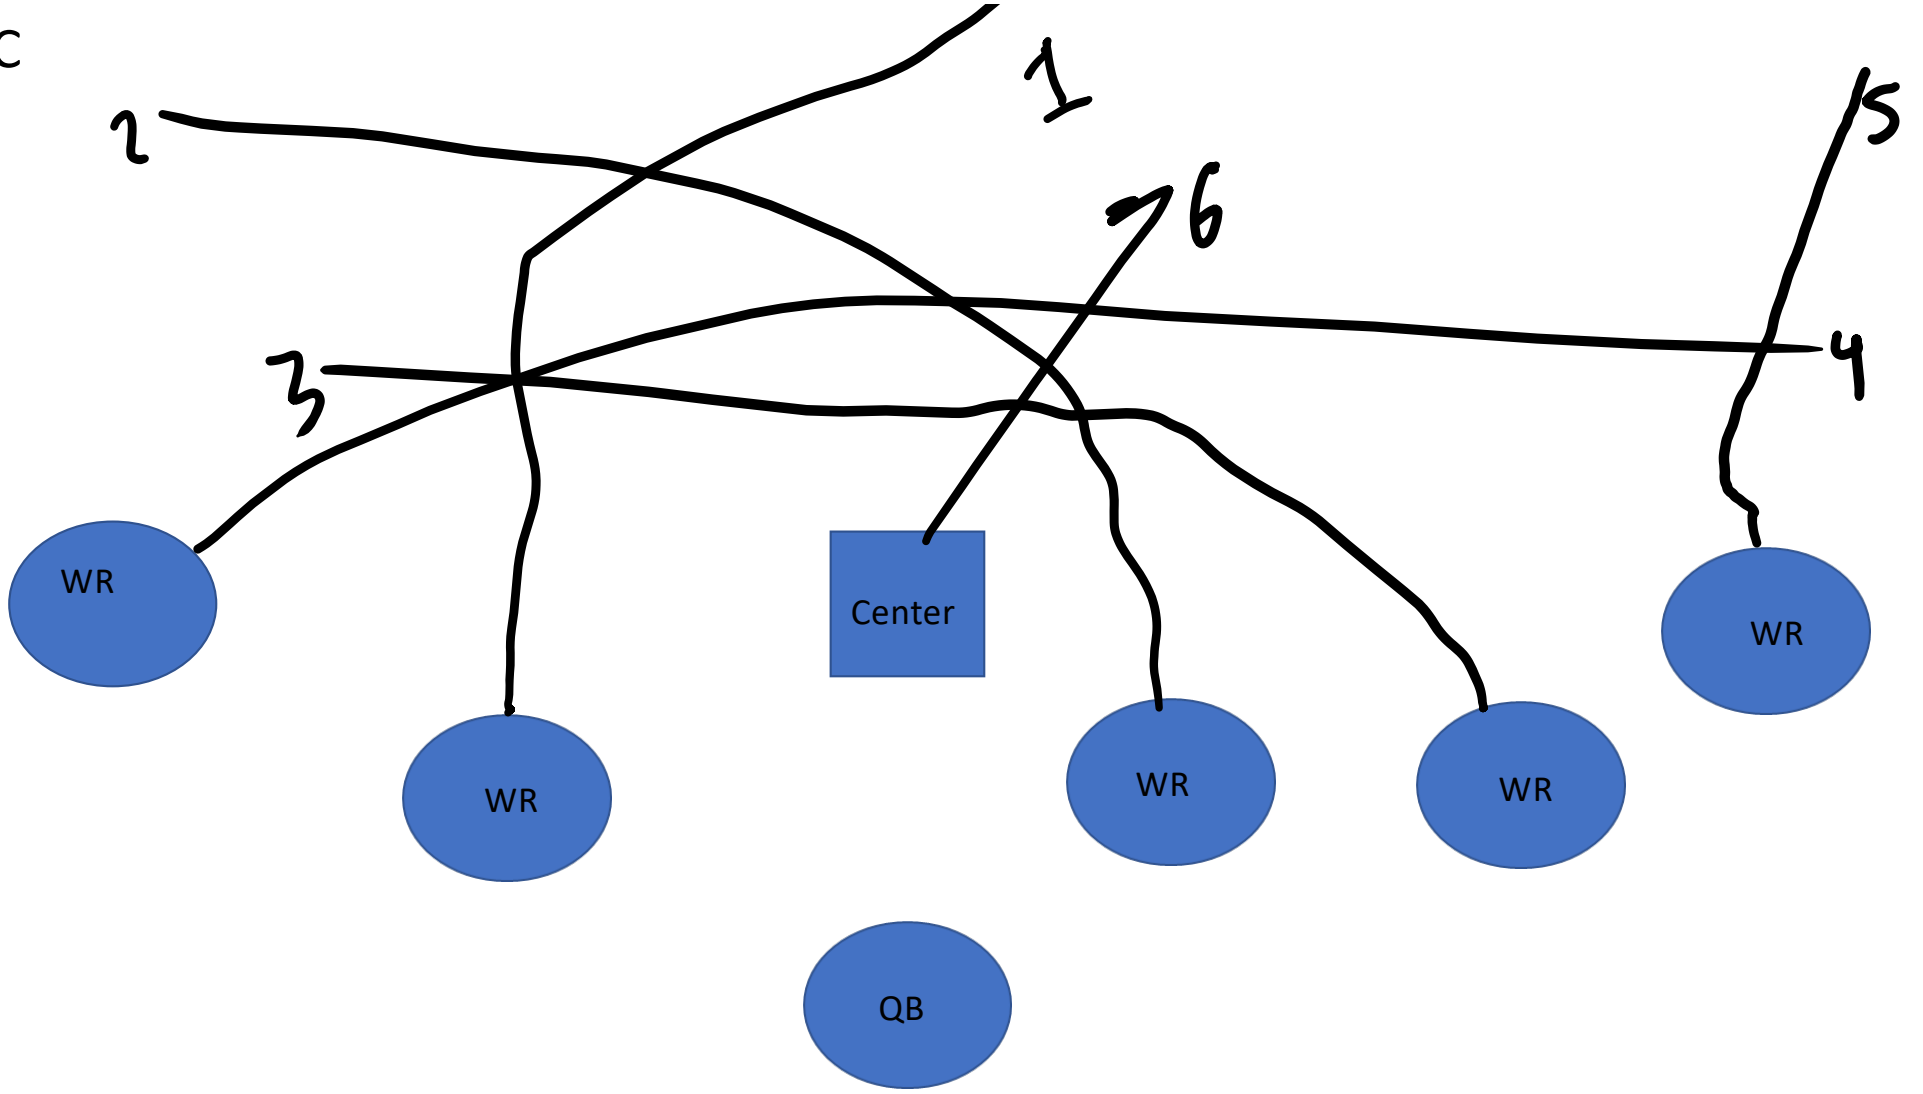

Phoenix

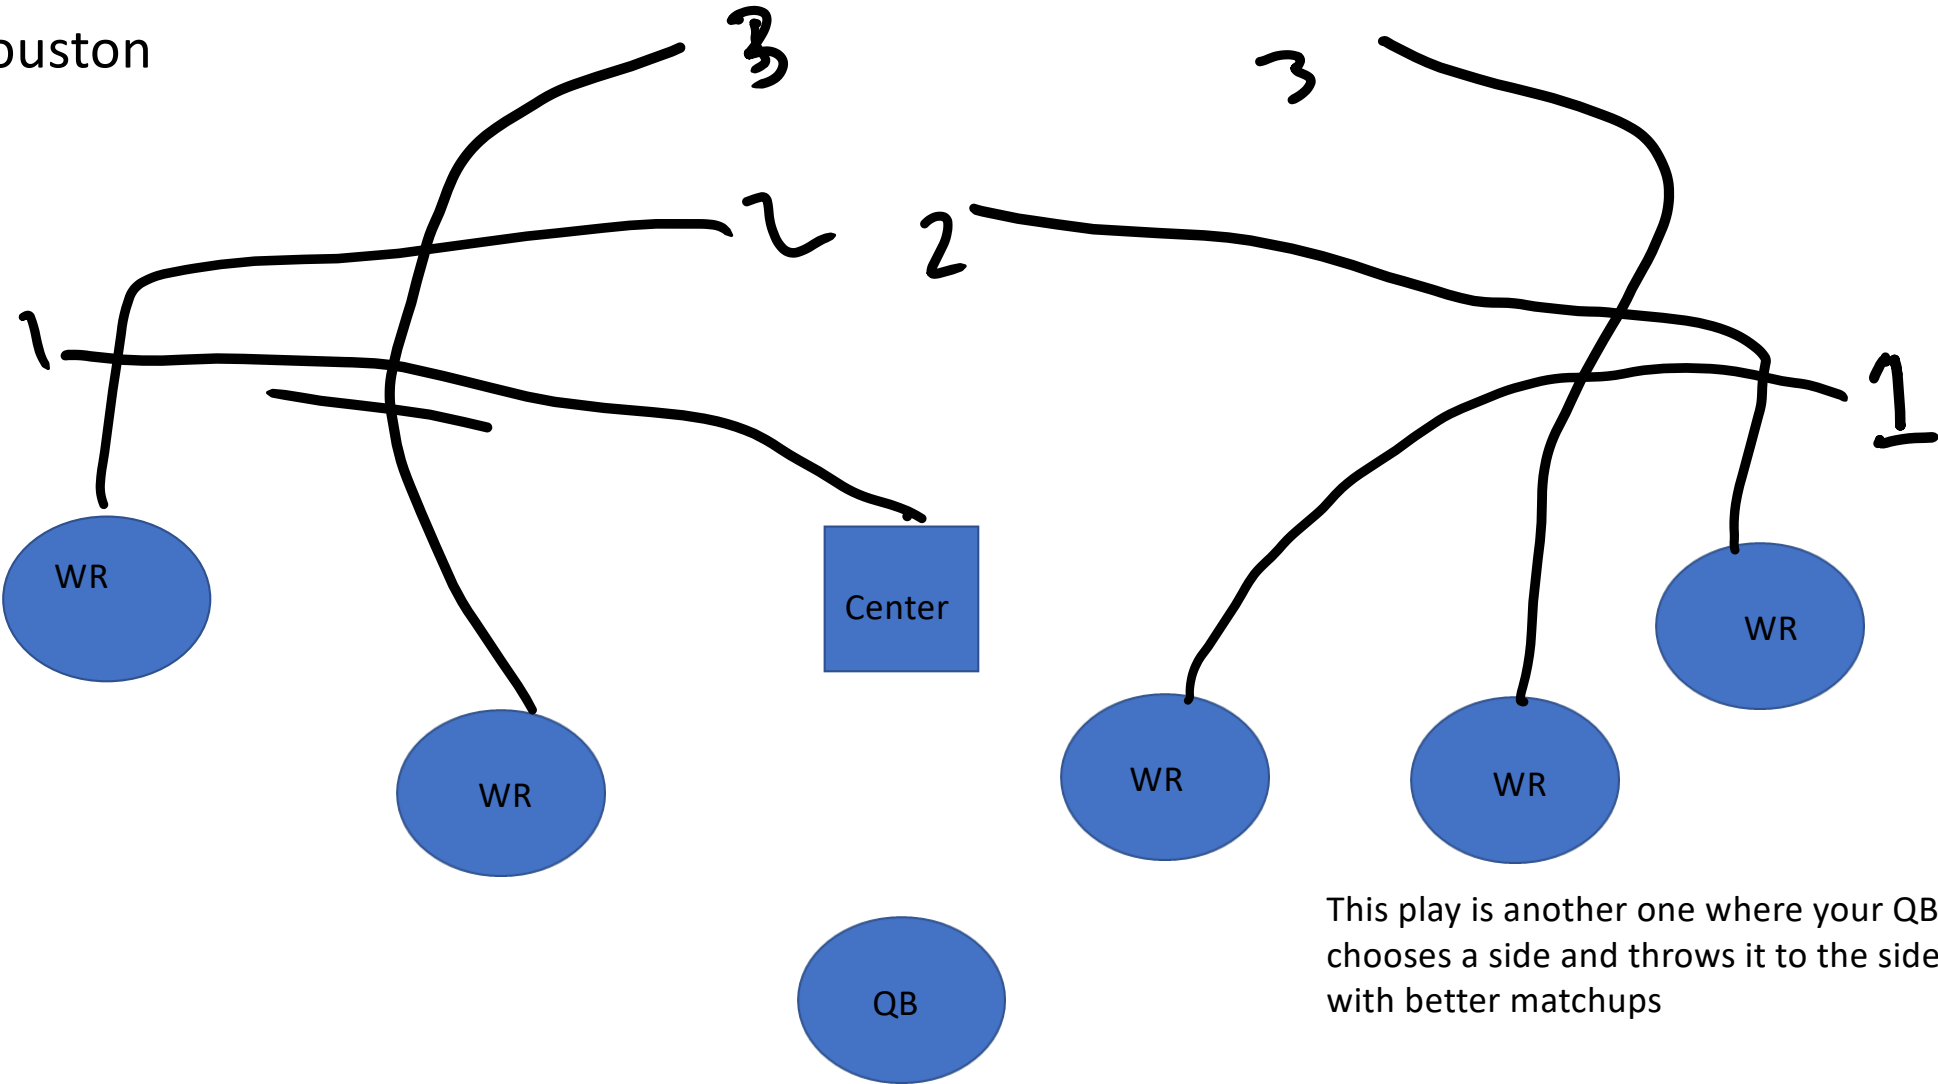

This play is a bit different, on this one your QB needs to choose a side to throw to and go through the progressions

DC

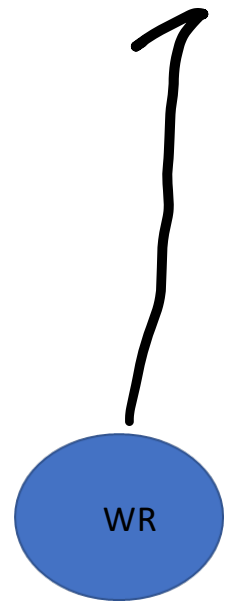

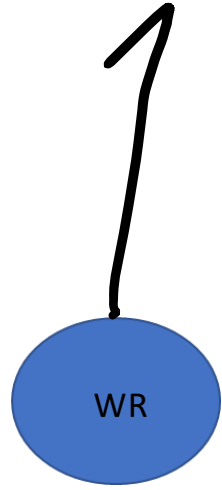

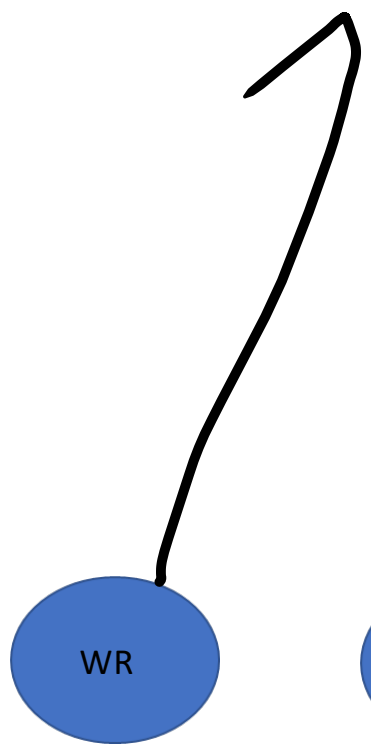

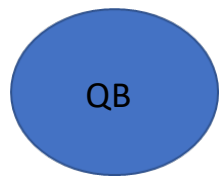

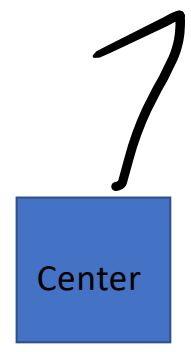

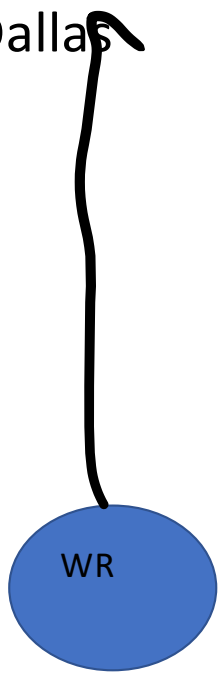

Houston

This play is another one where your QB chooses a side and throws it to the side with better matchups

Dallas

No progressions on this one choose your best matchup and pass it on time.

Kansas City
